Clause 1. Urbanline expressly warrants that its aluminium products are free from manufacturing defects in material or workmanship.

When installed according to Urbanline specifications and properly maintained, such product is guaranteed against the following:

- 1.1 Warping: The product itself will be free of any warping that is not associated with the substrate and/or structure to which the Alu Seleкта system is attached. For the purpose of this warranty, warping of the product(s) not exceeding 2mm out of plane per linear meter, is not claimable under this warranty.
- 1.2 Corrosion: When applied by an approved applicator and properly maintained, such product is further guaranteed against rusting and corroding, subject to the limitations set out in Clause 3.
- 1.3 What we will do. If, during the Limited Warranty Period, the Product is defective in material or workmanship, Urbanline will, in its sole discretion, replace the defective portion of the Product. Urbanline's replacement of the defective Product of this Limited Warranty is the exclusive remedy for the Covered Person for any defect in materials or workmanship. URBANLINE WILL NOT REFUND OR PAY ANY COSTS IN CONNECTION WITH LABOUR FOR REMOVING ALLEGEDLY DEFECTIVE PRODUCT AND REPLACEMENT THERE OF OR ACCESSORY MATERIALS.

Clause 2. Alu Seleкта Finish

During the warranty period there will be:

- 2.1 Checking/Cracking. No visible checking or cracking of the Alu Seleкта Finish.
- 2.2 Chalking Resistance. No chalking of the Alu Seleкта Finish in excess of that represented by No.8 rating based on ASTM D4214.
- 2.3 Colour Retention. No colour change of the Alu Seleкта Finish greater than 5 (five) CIE Lab AE units calculated in accordance with ASTM 2244 Section 6.3. Colour change shall be measured on the exposed paint surface which has been cleaned of oil, grease, chalk, oxidized film or other 3 contaminants and corresponding values shall be measured on the original retained batch panel. [Panel stored in the dark at temperatures below 30°C 86°F].
- 2.4 Gloss Retention. Coated surface will exhibit gloss retention of a minimum of 30% of the original. Gloss retention shall be measured on the exposed paint surface which has been cleaned of oil, grease, chalk, oxidized film or other contaminants and corresponding values shall be measured on the original retained batch panel. [Panel stored in the dark at temperatures below 30°C 86°F].
- 2.5 Adhesion. Adhesion of Alu Seleкта Finish when initially applied to test panels and measured by reference to AAMA 2604-02 Clause 7.4.2 will show no removal of the film.

Clause 3. Warranty Terms and Conditions

- 3.1 The "Warranty Period" for the warranties in Clause 1 & 2 shall mean the product for as long as the "owner", "purchaser" named above shall own the property on which the material was originally installed and for the warranty in shall mean fifteen (15) years, commencing on the date of completion.
- 3.2 Registration of the product is required for the warranty to be effective. This warranty is valid for the original purchaser and one other owner of the structure where the product(s) have been installed. A warranty number will be issued once the form is completed and signed by all parties.

Warranty

- 3.3 One time transfer of warranty. Upon change of ownership, this Warranty, if still in effect, may be transferred to the new owner by the original purchaser under the terms and conditions of this Warranty, provided that the transfer must be registered not later than 90 days after transfer of the legal title to the property on which the product is installed; and provided that after the transfer, the Warranty shall be prorated based upon the date of installation. The right to transfer this Warranty is limited to the original purchasers and does not extend to transferees. If the transfer is not registered within ninety (90) days after transfer of the legal title, then Urbanline shall have no further obligation under this Warranty.
- 3.4 Normal atmospheric conditions exclude corrosive or aggressive atmospheres such as those contaminated with chemical fumes, salt or other corrosive elements, including highly aggressive coastal areas within proximity of a body of salt water. Urbanline recommends fresh water cleaning and maintenance program be in effect to prevent corrosion from accumulated deposits.
- 3.5 The warranty will not extend or cover:
- The warranty will not be applicable to damage or failure, which is caused by acts of God, falling objects, external forces, explosions, fire, riots, civil commotion's, acts of war, or other such similar or dissimilar occurrences beyond Urbanline's control.
 - Customer shall make available to Urbanline, the dates of the installation of the coated metal, the maintenance records including details of washing and cleaning procedures in compliance with the annual cleaning requirements as stated in the Required Maintenance section of this warranty. Customers shall demonstrate there compliance the terms of the warranty stated herein.
 - Claims must be made in writing to Urbanline within 30 days of the discovery of a problem and authorization obtained prior to beginning any repair and/or refinishing work. The claimant must provide a warranty registration number. Claims can be made by writing to Urbanline's Technical Department. After receiving such notice, Urbanline must be given a reasonable opportunity to inspect and verify the claim.
 - Urbanline's exclusive liability under this warranty, or otherwise, will be limited to refinishing and/or repairing, at Urbanline's sole discretion. The warranty on any refinished, repaired or replaced coated metal supplied hereunder shall be for the remainder of the warranty period applicable to the originally coated metal. All warranty work will be performed by a company or contractor selected by Urbanline. Colour variance between refinished and/or repainted product and original shall not be indicative of a defect.
- 3.6 This warranty represents the entire agreement between parties in relation to its subject matter and supersedes any previous agreement whether written or oral between the parties in relation to its subject matter. The limited warranties state the entire liability of Urbanline with respect to the products covered by them. Urbanline shall have no liability for any incidental or consequential damages. No person is authorized to make any representation or warranty on behalf of Urbanline except as expressly set forth above, and any such statement shall not be binding on Urbanline except as expressly set forth above, Urbanline makes no warranty of any kind, express or implied, including, without limitation, any implied warranty of merchantability or fitness for a particular purpose. Warranties shall be the duration of the limited warranty or such shorter duration as provided under applicable local law. These limited warranties give you specific legal rights, and you may also have other rights which vary from area to area.

Warranty

- 3.7 NOTHING IN THIS WARRANTY SHALL BE CONSTRUED AS A WARRANTY OF THE WORKMANSHIP OF ANY INSTALLER OR AS IMPOSING ON URBANLINE ANY LIABILITY FOR UNSATISFACTORY PERFORMANCE CAUSED BY FAULTY WORKMANSHIP IN INSTALLATION.
- 3.8 Required Maintenance. On an annual basis use a soft sponge or cloth, water and mild detergent, non-abrasive soap with the pH range of 5-9 to clean the powder coated area of dirt, grim and other debris. Pressure washing and the use of harsh detergents or chemicals is not recommended. Include in your maintenance records the following: date, time, specific products used, name of maintenance person and their designation, maintenance company name and general condition of the powder coated finish.
